

# The July Nationals 2011.

The Junior Committee will be running this postal shoot again this year. All you have to do is shoot the relevant National type round, get the scoresheet signed by an adult, and send the scoresheet to me at the address at the bottom of this sheet. Please ensure all details are clearly written, if I cannot read them you will not be entered.

The age group you enter is the one you are in on 30<sup>th</sup> June.

Please look carefully at the table below to ensure you shoot at the correct distances and enter the correct section. This year, compound archers need to shoot a longer distance than the other bow types. Four dozen arrows at the longer distance and two dozen arrows at the shorter distance on a 122cm target face with 5 zone scoring.

There will be awards in each of the sections, and an overall results list will be available.

When you send your scoresheet in, please make sure that you include all the information, so that you are entered in the correct section. Only one score may be sent in per bow type per archer. The results will be available on the GNAS website, if absolutely necessary, a paper copy of the results can be sent; please enclose a stamped addressed C5 envelope (9" x 6½") with your entry.

If a club is sending in a bundle of scoresheets, it helps if there is a covering sheet with all the individual scores, hits and golds listed as well, and a club contact name and telephone number.

Please give the following information, all in block capitals please:

**Forename; Surname; Sex; Age; Bow type (Compound, Recurve, Longbow, Barebow or Fibreglass); Section (as in the above table); Club; Address; Email address; Telephone Number; Score, Hits and Golds.**
